Yours faithfully,

For and on behalf of the Board of
China New Higher Education Group Limited
Li Xiaoxuan
Chairman

This Appendix I serves as an explanatory statement, as required by the Listing Rules, to provide requisite information as to the proposed Buy-back Mandate.

1. LISTING RULES RELATING TO THE BUY-BACK OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to buy back their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all buy-back of shares by such company must be approved in advance by an ordinary resolution of Shareholders, either by way of a general buy-back mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 1,431,100,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Buy-back Mandate and on the basis that no further Shares are issued or bought back prior to the Annual General Meeting, the Company will be allowed under the Buy-back Mandate to buy back a maximum of 143,110,000 Shares, which represents 10% of the entire issued share capital of the Company as at the date of passing the resolution until the earliest of:

- (i) the conclusion of the next annual general meeting of the Company; or
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of the Company or the applicable laws of the Cayman Islands to be held; or
- (iii) revoked or varied by an ordinary resolution of the Shareholders of the Company in a general meeting.

3. REASONS FOR THE BUY-BACK

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to buy back the Shares on the Stock Exchange or any other stock exchange on which the Shares may be listed. Share buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such buy-back will benefit the Company and the Shareholders as a whole.

4. FUNDING OF BUY-BACKS

In buying back the Shares, the Company may only apply funds legally available for the purpose in accordance with the Articles and the Companies Law.

Taking into account the current working capital position of the Company, the Directors consider that, if the Buy-back Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company (as compared with the position disclosed in the 2017 Annual Report). However, the Directors do not intend to make any buy-backs to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

5. SHARE PRICES

The Company was listed on 19 April 2017.

The Shares are trading on the Stock Exchange and the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the following months immediately preceding the Latest Practicable Date are as follows:

6. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to buy back Shares pursuant to the Buy-back Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, as far as the Directors are aware, substantial Shareholders having interests in 10% or more in the issued share capital of the Company are as follows:

As at the Latest Practicable Date, to the best knowledge of the Directors, Mr. Li Xiaoxuan, Aspire Education Group Management, Aspire Education Technology, Aspire Education International and Aspire Education Consulting control the exercise of approximately 55.34% voting rights in the general meeting of the Company.
